# CIT_1157 Project

Description:

To design a professional webpage that could be related to a business or an organization

(School, University, Nonprofit organization, business, etc.). The webpage should contain the

following. **(Note: Use of webpage template is not allowed)**.

1) A home page.

- ❖ See the attached sample the webpage:
- ❖ Include background picture.
- ❖ All sections shown in this example must be included in your webpage.
- ❖ Except for the banner section (header), all other sections maybe reorganized
- ❖ as you wish for improving the visual presentation of the webpage.
- ❖ Each heading navigator must contain 4 related topics and at least one of the
- ❖ topics related to its source (content).

2) The website folder requires the following files and folders:

- ❖ Images folder
- ❖ Video-Audio folder
- ❖ Document folder
- ❖ Index.html (the main page, see #1 above)
- ❖ Survey.html
- ❖ External css files.

3) A survey page (The survey page requirements)

- ❖ Contains background picture and background music.
- ❖ Contains Six questions
  - ♦ Multiple choice question
  - ♦ Multiple selection question
  - ♦ True/False question
  - ♦ Fill in the Blank Question
  - ♦ Dropdown selection
  - ♦ Dropdown scroll selection
- ❖ Comment box for user to enter text
- ❖ Email address
- ❖ File upload
- ❖ Submit button

4) Color, text font and text format are designer choice. All pictures and logo must be

the designer's pictures (pictures, music, etc. from internet will not be accepted..),

any inappropriate picture and content of the webpage will not be accepted (please

consult your instructor if you need any clarification about this)

5) Video clip must be designer's created video (15 to 30 sec. duration)

6) The website must be uploaded on the server and be accessible by the instructor.

7) Please follow the copyright and Creative Common policies (reference: 489 of

textbook)

8) A copy of the web folder (including all files and folders) must be zipped and named

with the student's full name and submitted to the follow directory:

Academic-dfs\lcfile\Assignment\CIT\CIT1157_SM.

9) The directory page on the webpage should contain the following info.

       Name of student
       Program
       10 lines of student's bio.
       A Picture

10)Contact page info:

       Contact person(s)
       Address
       Phone number (made up number0
       Email address: made-up
